## CIEH Level 3 Award in Food Safety Supervision for Manufacturing

### Introduction

This qualification has been developed to benefit anyone working in a supervisory position where food and/or drink is processed or manufactured.

### Course Location

On site at your premises or at our dedicated training facility at Sentinel House

### Course Duration

Three days

### Key Topics

- Introduction to food safety
- The law
- Food safety hazards
- Temperature control
- Food Handlers
- Principles of safe food storage
- Cleaning
- Food premises and equipment

### Assessment

Objective test: 30 multiple-choice questions. Test papers are available in a variety of languages.

### Qualification

On passing the assessment, participants will receive a nationally recognised Level 2 Certificate from the Chartered Institute of Environmental Health or the Royal Institute of Public Health.
